1929 Class Poem

By DENA COHEN

Oh college days! Dear time of joy and mirth,
When laughter reigned supreme and all the earth
Seemed radiant and just made for priceless fun—
Too soon, it seems, these dearest days are done,
And we'll not know how great our happiness
Till it becomes to us a memory, blessed.

At that time it seemed the world's most won'drous thing
Was the beauty of our campus in the spring.
And in the quiet stateliness of college halls,
We learned to know and love our Profs, and best of all
'Twas there the wisdom, science, and art of ages now in dust,
Were handed down to us — a sacred trust.

Oh, the memory of those precious endless walks
We took with arms entwined; and how we'd talk
Of all the dreams we meant to make come true —
Those ancient dreams that we thought were so new.
How we'd laugh at things that weren't even funny.
And perfect our penmanship in sending home for money.

Besides those friends we made in our carefree college years,
No other friends, to us, will ever seem so dear.
And our college sweethearts — there were several of them yearly —
From each one we'd vow ne'er to part; each one we'd love more dearly

Then even the moon that hung o'er our campus right above,
Was a special, friendly one, sent to chaperone our love.

In our hearts eternally there will be ringing
Our Alma Mater song, that we took such joy in singing:
And each part of these happiest days so quickly past,
Will, also, in our hearts forever last.
So, for all that you've given us, dear Northern, we'll try to do
Great things that will reflect fame and glory unto you.

The Pan-Hellenic Council, composed of a member of each fraternity on the campus, has become one of the most active factors in the promotion of good will and friendliness among fraternal organizations and campus men. The program this year was featured by the Pan-Hellenic smoker during the Spring term and the bi-weekly exchange of dinner guests among the fraternities.

Engineers Executive Committee

OFFICERS

Peter McCaughey ..... President
Ross Lash ..... Vice-President
Richard Krengle ..... Secretary
Walter Griffith ..... Treasurer

The Engineers Executive Committee is composed of men selected from the four engineering societies who act as a board of arbiters on matters of interest to the College of Engineering. Its purpose is to promote the activities in the college during the school year, especially to plan and conduct the annual Engineers' Week program. The inspection trip this year included Chicago, Ft. Wayne, Milwaukee and Detroit.

American Society of Civil Engineers

The Ohio Northern University chapter of the American Society of Civil Engineers has been an active society on the campus since its organization in 1925. The orginal was "The Ohio Northern University Society of Civil Engineers." This was changed to the present name in 1926 when the society was admitted as a student chapter of the American Society.

The objects of the society have been to raise the standards of ethics of the engineering profession and to promote the economic and social welfare of the engineers.

Membership in the society is open to all civil engineering students. Freshman members are not allowed to wear the badge of the society.

Professor Webb is sponsor of the society and his proven himself very capable. He has always shown much interest in the society and with his valuable suggestions, has contributed much to its success. He is a senior member of the soceity.

Much more than the ordinary interest has been shown by the members and it is believed that the society has, this year, succeeded more than ever before in accomplishing its objectives.

A. I. E. E.

The local branch of the A. I. E. E. was established February 12, 1912. It was distinguished with the honor of being the first student chapter in Ohio. It has become one of the most active organizations on the campus, and continues to show steady progress under the capable leadership of Professor I. S. Campbell, faculty adviser.

During the past year, bi-monthly meetings were held, in which the policy of the national organization has been carried out by having students present papers on current technical subjects in preference to faculty lectures.

The benefits derived from being a member of this society are the honor and stimulation resulting from direct relationship with the national organization and association with fellow members of the branch.

American Society of Mechanical Engineers

Under the very efficient leadership of Dean Needy the local student branch of the American Society of Mechanical Engineers passed through another bigger and better year. This year the officers of the society functioned at their highest efficiency.

Under the able leadership of its officers and the advice of Dean Needy, the society has attained a high standard, it being considered one of the leading technical organizations on the campus.

Membership in the student branch is open to all students in the Mechanical Engineering School. The purpose of the society is to stimulate the interest in Mechanical Engineering.

Several meetings were held throughout the year and various phases of the Mechanical industry were discussed in such a manner as to be of interest to all members. It is the aim of the society to get every Mechanical Engineering student to attend these valuable meetings.

O. N. U. Society of Chemical Engineers

The O. N. U. Society of Chemical Engineers was formed in 1919 under the leadership of Profesor Sleesman. Since its advent on the campus it has steadily progressed, and at the present time has doubled its membership. Those interested in Chemical advances are invited to join. Meetings are held bi-monthly.

American Chemical Society

(OHIO NORTHERN SECTION)

The American Chemical Society, a national organization was founded in 1876. National officers are: President—Irving Langmuir, Schenectady, N. Y.; Secretary—Charles L. Parsons, Mills Bldg., Washington, D. C.

This is the largest society of men who are interested in Chemistry in the world. Many sections of the parent society have been formed. Ohio has six sections: Akron, Toledo, Cleveland, Columbus, Cincinnati, and Ohio Northern. The Ohio Northern section was organized in 1927 and given a territory of five counties: Hardin, Allen, Hancock, Putnam and Auglaize. Officers of the local section are: L. C. Sleesman, Chairman; J. A. Bradford, Vice Chairman; and R. H. Raabe, Sec'y.-Treas.

The Ohio Northern section with J. R. Harrod, regional chairman, and R. H. Raabe, secretary, will be host to the sixth regional meeting of the A. C. S. October 25 and 26, 1929, at Ada, Ohio.

This region includes, along with the Ohio sections, the sections of Nirdand, Lansing, Ann Arbor, and Detroit, Mich., Erie, Pa., Lexington, Ky., and Kanawha Valley, W. Va. Other sections will be invited guests.

Ohio Northern Radio Club

The Ohio Northern Radio Club was organized in 1919; its purpose being the bringing together of the students and faculty for the study of radio in all of its forms. Bi-weekly meetings are held throughout the year in the club room in Lehr building. The club is affiliated with the American Radio Relay League, a national organization to promote the advancement of the radio art.

The club owns and operates the amateur radio station W8ALT. Messages have been exchanged from Honolulu, Italy, Savary Island, Western Canada, and all parts of the United States, and many messages are relayed during the day by the members. This station is licensed by the government; uses only 15 watts of power, and operates on 40 meters.

Educational Association

Each Monday evening throughout the year the Educational Association holds its meetings. It is composed of members of the College of Education, and the Arts-Education department who are preparing to teach. All members of these departments are urged to attend the meetings.

The aims of this body are many—some of the chief being to acquaint the student with problems of Education, to promote the professional attitude, to understand education from a scientific point of view, and to acquaint the prospective teachers with the outstanding education leaders of this section of the state.

During the past year a new feature was instituted, of having different students of the organization participate in the program. These various students gave talks either from their own experiences of teaching or from the field of practice-teaching, and some talking on their majors, or minors. It was found that these students who participated actually were interested and left good thoughts from their discussions.

Law Association

The Law Association has been divided, the Pre-Law being the new division. The Pre-Law Association is a newly organized group of the students who are preparing to enter into the study of law. With the new regulation each student must have two years of preparation before entering the Law College. The reason for its organization was to create an interest in law topics and to permit social meetings to better acquaint the members with one another and with the faculty which will soon impose upon them the cold, hard facts of the study of law and shape them into good and efficient lawyers.

Several meetings have been held with great success. A talk concerning the members and their connection and introduction to the law course was given by Dean Henderson of the College of Law. He also talked on other topics of a legal nature, and his speech was greatly appreciated. The association is not only a legal group but is also a social group, capable of having an occasional happy and enjoyable time. The group contains about seventy-five members, who are lively and look like very good material for the profession.

Law Association

The Law Association is composed of all the members of the Law College and for many years has been the instrumentality which the lawyers have been able to hear and become associated with the learned judges, and other noted speakers throughout the country. Many talks on various and educational topics are heard by the Association each year, so that they may become acquainted with the ways of the world when they enter upon the practice of the legal profession, many interesting legal topics are discussed in their meetings, which are sometimes held as a social group, and sometimes as a group of stern, set-faced professionals.

Ohio Northern Pharmaceutical Association

Elmer Bauer ..... President
Herbert Leicy ..... Vice-President
J. Starlin Richardson ..... Secretary-Treasurer

At the beginning of the year 1906, there appeared on the Northern campus an organization known as the Ohio Northern Pharmaceutical Association. From a comparative meager beginning, the association has since grown until, at the present time it is one of the most important and largest organizations on the campus.

The intense interest in pharmaceutical advancement evinced by students of pharmacy, both past and present, is responsible for its rapid growth. One week of the school year is set aside as Pharmacy Week, and during this time the annual pharmic banquet is held. This is attended by State Officials and men who occupy prominent positions in pharmaceutical societies. At the regular meetings, representatives of various drug manufactories address the members.

Richardson, Hawry, Close, Rabbe, Bauer, Hamshire, E. Smith, Leizy, Howe

It was this organization that proposed the idea of visiting industrial concerns in order that the students might gain practical knowledge of the methods used in the manufacturing of various pharmaceutical supplies on the large scale production basis. Its efforts in that direction were a factor in making such visits possible.

Realizing that the success of pharmacy as a profession depends upon the cooperation of the pharmacists themselves, the O. N. U. P. A. aids not only in securing unity among pharmacy students in attendance at Northern, but also aids in obtaining the cooperation of practicing pharmacists who are graduates of this university. By functioning in such a manner, the association renders a service in the interest of pharmacy and thus fulfills its purpose as an organization.

Various times through the year get-together meetings of the association were held either at the M. E. Church or at the Lutheran Church. Various men spoke before the pharmic group about various information concerning the retail and wholesale business.

Perhaps the most delightful and highly educational events was the visit to Eli Lilly Company located in Indianapolis, Ind.

The association has brought to its members a more broadminded knowledge of the far-reaching magnitude of the profession.

Spanish Club

The Spanish Club was first organized by Professor Helen Willis in the fall quarter of 1925. According to the constitution drawn up at that time, the basic principles are, to promote the use of the Spanish language among the members and to create an interest in the life, customs and history of the Spanish countries. In addition, the pleasant meetings of the Club have provided enjoyable social entertainments.

These entertainments have included numerous Spanish plays, talented musicians and speakers, and several delightful parties each year.

While the control of the Club is vested in student officers, Miss Willis as sponsor, has quided it to a place of prominence on the campus. To her belongs the credit of its success. Devoting many extra hours working up plans and programs, always ready with new ideas and helpful suggestions, she has been the real moving spirit of the Club.

Meetings are held every month and all business is conducted in Spanish.

French Club

The French Club was first organized at the home of Mrs. Davis, head of the language department, for the purpose of encouraging and furthering the study and cultivation of the language, literature, art, and history of France. The Club was affiliated with the Federation of the Alliance Francaise on Oct. 31, 1928, and an effort is being made to raise the scholarship in all classes so as to secure eligibility to membership in Sigma Kappa Phi, the national honorary foreign language fraternity. The club has a right to compete for the medals, prizes, and other privileges offered by the Alliance. Miss Verna Mae Gompf is the first to be awarded a medal for scholarship record of "Ex." The motto of the club is "De Mieux en mieux." Excellent monthly programs are given by the club.

International Club

This club was organized February 17, 1924, at the home of Professor Davis, with the aim of uniting students of all nationalities for social and intellectual benefit, and for the purpose of promoting international good-will and the brotherhood of man. The meetings are held the first and third Sunday afternoons of each month and their excellent programs are open to all. An "Emergency Loan Fund" for the aid of the members, especially foreign students, is maintained, and annual public programs given to increase this fund.

The officers the first half of the year were: President, Richard Krengle; Vice president, A. Celebrezze; Recording secretary, J. Sugranes; Corresponding secretary, Mark Warren; and Treasurer, Carmen Artino. The officers for the spring term are: Camen Artino, Louise Merhab, Robert Shermer, Mark Warren and On Kock Yee.

The motto "Above all nations is Humanity" is the theme of the club hymn:

"We know no bounds of East or West, no limits South or North
But one great fellowship of love throughout the whole wide earth.

We all join hands in unison, whate'er our race may be;
And far above the nation's claim uphold humanity.

O God, the Father of us all, teach us Thy heavenly plan.
To serve Thee best and bring on earth the brotherhood of man."

Commercial Club

Since, the Commercial Club of Northern was reorganized in 1924, they have served as a very important factor in the education of commercial students. Every student in the commercial department is a member of the club.

The aim of this organization is to create an interest in the great problems of the world.

Meetings are held at regular intervals and Professors as well as prominent men are called upon to give talks upon the great business issues of the day. This creates a keener interest for those who are students of the commercial department.

Northern Players

Northern Players, the dramatic association of Ohio Northern University, has achieved a place of distinction in the past few years. Each year of its existence the organization has increased in membership and in its scope of activity, until at the present time it holds a place of decided recognition upon the campus.

The club meets once a week in Franklin Hall, Hill Building, and besides the regular business of the club, readings are given, and other means of entertainment are provided.

The organization is open to every student of the University who is interested in dramatic work.

Aside from the practical value gained by the association in the club, plays are presented each quarter under the able direction of Major A. B. Cliff Deming, the director, whose direction and inspiration the club gratefully appreciates.

Cast of Play "Kempy"

"Kempy," a farce comedy produced by the Northern Players in Lehr auditorium, on Monday evening, December 10, was one of the biggest successes attained in the amateur dramatic field at Northern in recent years. With a well trained cast under the able direction of Major Cliffe Deming of the department of expression, the play was excellently presented and was a continuous round round of laughter from start to finish. The cast:

Ruth Bence	Chloene Weingartner
"Dad" Bence	Sidney A. Eisenberg
"Ma" Bence	Odetta Craig
Jane Bence Wade	Dorothy Moorman
Katherine Bence	Emma Resetar
Ben Wade	Morris Straus

Y. M. C. A.

This organization has endeavored during the past year to make an appeal to all students and especially those who have a desire to make their college career, one which will lead to the most complete development possible of the mind, spirit and body.

Of course, we place considerable emphasis upon the devotional phase since it is upon the rock of Christianity that we are founded. We have instituted a custom of having various subjects presented which will have a direct appeal to all who are earnestly trying to settle their life problems in the most satisfactory manner.

Besides this, the "Y. M." with the aid of the "Y. W." sponsored the big university mixer held especially for the newcomers to the campus. The "Y" handbook is a product of the efforts of these organizations. Also a number of mixers and social affairs are sponsored during the school year.

The recreation phase comes through the checkers, chess, dominoes, and indoor horseshoes which are at all times accessable.

Y. W. C. A. Cabinet

The Young Women's Christian Association represents an organization which has endeavored to be truly helpful to every girl on the campus. The "Big and Little Sister" movement, fostered by the Y. W. C. A. tends to promote a spirit of friendliness and has helped many Freshman girls through their first few days at Ohio Northern.

Our purpose, "To live unreservedly Jesus' law of love in every relationship of life, and so to know God," has been manifest in all the meetings of the Association, and there in the daily life of the girls. Our meetings, which are held each Wednesday evening, together with several conjoint meetings with the Y. M. C. A., have been very interesting and inspirational, through the help of outside speakers, the professors and the student body. Much credit is also due to our faculty advisors, Mrs. Whitted and Miss Auten, who have been an inspiration to the girls in their weekly cabinet meetings.

We have learned through inter-collegiate correspondence and also from our sister college in India that we, as an organization are but a link in the great chain of national and international organizations. We are fostering missionary work, both in the home and foreign fields, which goes to make up a part of our five hundred dollar budget. Our finances are taken care of by the Christmas Bazaar, May Breakfast and various other means.

Oxford Fellowship

This organization was first established in the fall of 1923 under the name of the Homiletic Club, and in 1927 was accepted in the Oxford Fellowship, a national association composed of students contemplating the ministry and of those who are vitally interested in Christian service.

Every Monday evening, the Fellowship meets to enjoy the privilege of devotion and the discussion of religious problems. From time to time, we are pleased to have with us faculty members and students who give their viewpoints on various subjects.

During the school year gospel teams are called to serve in various churches. The experiences gained from these contacts have proved to be of much benefit.

Press Club

The Press Club of Northern is an organization, organized for the purpose of creating an interest in college publications among the students, and training under-classmen in such a way, that there may always be students qualified and willing to occupy staff positions.

Membership is open to any student interested in journalistic work, and meetings are held each week in order to keep alive such interest on the part of the students.

The club is one of the most active organizations on the campus, bringing different noted journalists to speak at their meetings and furnishing different entertainments throughout the school year. It serves as a stepping stone to positions on the staffs of college publications. Those who are on the staff that work faithfully, receive a certificate of merit for their good work. Members of the Alpha Phi Gamma, honorary journalistic fraternity are chosen from this staff.

Girls' Law Club

Although in its infancy the Girls' Law Club shows great promise of becoming a leading campus activity. It was organized for the development of legal training among the girls enrolled in the Law College. Similar to the Law Association in its aims it also tends to develop social life. One of the outstanding events of the year was the Valentine's Day party held at the home of Mozelle McElroy.

The Mens' Glee Club

The Glee Club of Ohio Northern University has completed a very successful season. It is one of the organizations on the campus to which the members give their talent and considerable time because they are interested in and enjoy the work. The club has not been able to afford extensive concert tours which other schools depend upon to create an interest in their club and attract new members. Our club has been created and has thrived on an interest in music alone. We are pleased to notice that the interest in music is continually growing among the student body and we hope that next year we will have an even greater response at the tryouts than we had this year.

As to the achievements of the club we are proud to say that we have in no small way made an enviable name for ourselves in some of the leading cities of the state. We have had two short week-end trips so far this year and we are contemplating a longer and more extensive trip sometime this spring. Our club has attended the State Glee Club Contest only for the past three years and has in that time made a remarkably rapid rise. The first and second year we took sixth and third place, respectively. This year we stood at the head of the list of Colleges in the Ohio Conference and were second only to Ohio State University. We feel this is a very commendable record.

The club wishes to thank Prof. Mark Evans for his sincere and concentrated efforts in making the club as efficient an organization as it has become. We, as members of the club, do homage to Mark Evans as a truly great director and musician.

OFFICERS

Esther Holycross	President
Margaret Fry	Vice President
Eleanor Morganroth	Secretary
Mildred Freeman	Treasurer
Miriam Holycross	Librarian
Winifred Fithen	Accompanist

Among the women's choruses of the state the O. N. U. Girls Glee Club ranks with the highest. This was proved to us again this year when the girls took second place in the Inter-Collegiate state contest held at Cincinnati on March 15.

The girls' first appearance this season, made in a concert at Bellefontaine, Ohio, on March 3, was a decided success.

In the four day tour made from March 14 to 18, concerts were given in Sidney, Dayton, Cincinnati, Troy and Piqua. While in Cincinnati the girls accepted an invitation to broadcast from WLW. A conjoint concert is being planned and also a trip to Findlay for a sacred concert there.

The girls attribute their success this year to the untiring efforts of Dean Evans, director of the club. Credit is due Winifred Fithen, the able accompanist and Sylvia Shepherd, the student directress. The manager, Esther Holycross is deserving of no little praise for the manner in which the details of all engagements were planned and carried out. Margaret Fry was a most helpful assistant manager.

Girls' Debate Club

Greater interest has been shown this year among Ohio Northern Co-eds in debating than ever before. Under the able direction of Dr. Clara Scheiber, the girls progressed rapidly in Forensic Art. In the main the girls' chief debating has been limited to interclub meetings but one debate has been scheduled with Akron University. It is hoped that in the future this organization will become a rival to the best on the campus.

O. N. U. Debating Teams

These teams are supported by the students' activity fee. Opportunity for membership is open to any student in the University. After a brief practice period, the try-outs are held before a faculty committee and the men selected. This year the squad representing Ohio Northern in the Ohio Debating League was composed of eight members.

The team upholding the affirmative of the question, "Resolved that the jury system be abolished," was composed of Claude Ewing, capt., Sam McLain, Orin Graff, Homer Notestine. They were successful in defeating Hiram College but lost to Muskingum. After the conference season, the affirmative clashed with Loyola in a non-decision debate.

On the negative team were Leonard Crawford, capt., Curtis Johnson, Sidney Eisenberg, and O. Willits. This team lost to Otterbein and won over Toledo University. After these two debates, the negative met Hillsdale, a college in Michigan.

Another try-out was held for the Pittsburg debate and Ewing, Crawford, and Graff were chosen to uphold the negative of the question, "Resolved that modern advertising is more harmful than beneficial to society." The vote indicating the attitude of the audience, before and after the debate, favored Pittsburg.

The final debate of the season occured at Lima, Ohio, Sunday, April 7, ending the open forum series in that city.

Girls' Hockey Team

Greater interest was shown in the past year in athletics for women than has ever been known at Northern. This was especially seen in Hockey, which was played during the fall term. The majority of co-eds out were freshmen and are anxious for another try at it next fall, hoping to place it on a plane with girls' basketball.

The game is an interesting one and because of being an outdoor activity possibly has more benefits than other sports. It is a sport for all, with no outstanding star, which creates better team work and a higher degree of sportsmanship than most games.

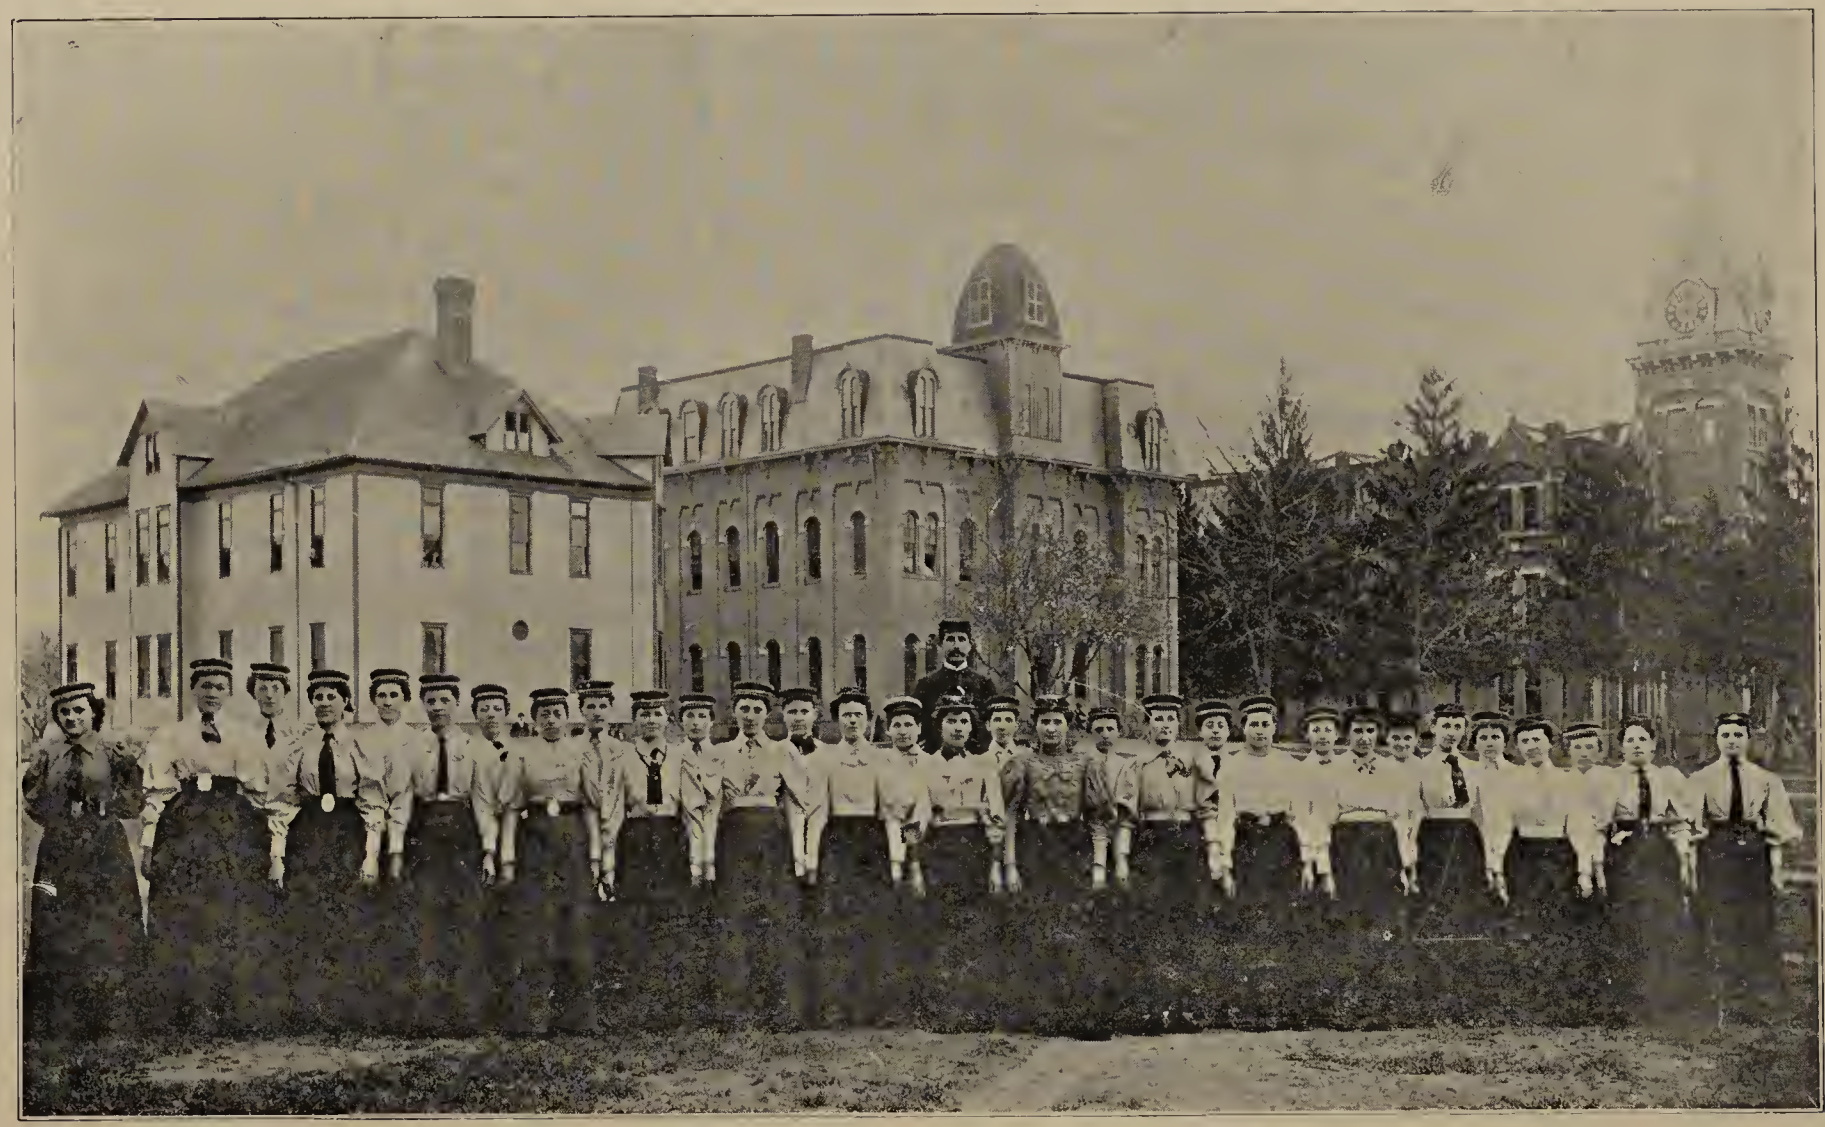

Field Hockey is played with twenty-two players, eleven on each side. Each team consists of five "Forwards," three "Half backs," two "Fullbacks" and one " Goal Keeper." The dimensions of the regulation Hockey field are: 100 yards by 50 yards. Standard clubs are used with leather cricket balls.

This year the teams were under the supervision of Miss Betty Stepleton, a Senior in the College of Education.

In the past years there has not been enough inerest for competition with other schools but if the desire is as great in the future as we have just witnessed, it is hoped that some friendly contestants may be found.

Director of Athletics

ERNEST MILLER

ERNEST MILLER

In his first year at Northern, Miller has had considerable success, as Director of Athletics. Previous to his coming to Ohio Northern University he held a similar position at Kentucky Wesleyan. Miller is a man of wide experience in the field of athletics. He received his B.S. in Ed., at the University of Kentucky and from that University he will receive his M. A. this spring. As a coach he had charge of Mansfield high school for two years, following which he was called to Springfield, where he was assistant football coach for Wittenberg, for one year. Before taking up his work at Kentucky Wesleyan he directed athletic affairs at Defiance College for two seasons. Miller has firmly established himself with Northern's student body, and once he has been able to properly institute his system of athletics much is to be expected of him.

WILLIAM F. MEREDITH
Coach of Football

WILLIAM F. MEREDITH

Northern is extremely fortunate in having at the helm of the varsity football team William F. Meredith. Before coming to Northern in 1926 he had for three years previously, turned out championship contenders at Ashland College.

Last season, in spite of the fact that Northern played all of the best teams in the conference, "Big Bill" succeeded in turning out a team of which we were all proud. Meredith was confronted with problems that were calculated to make the job an arduous one and his efforts were constantly at the mercy of critical scrutiny. Yet in the midst of all this he has won the good will of every loyal student and alumnus.

There is no doubt but that next year, with few of last year's squad graduating, that "Bill" will be able to form and weld into shape a team, second to none in the conference.

Biggs, R. Craig, Glathart, Fowler, Van Horn, Nussbaum.

Varsity

Eleven experienced letter men, and twenty-five additional members of the freshman grid team, responded to Coach Meredith's first call for daily drill in the art of handling the pig-skin. "Big Bill" throughout the season compelled his men to keep training, and placed emphasis on the principles of clean playing and real sportsmanship, whether the Polar Bears won or lost.

Games

BLUFFTON—SEPEMBER 22—BLUFFTON

Ohio Northern's Polar Bears and the Bluffton Beavers battled to a 13 to 13 tie in the opening game of the season. At the end of the half, Bluffton was leading, 13 to 0, but Northern fought hard the remaining half of the game, to tie the score. Northern relied upon an aerial attack to gain ground. Fourteen first downs were obtained by Northern, while Bluffton made only three. The game throughout was replete with fumbles by both teams. "Gene" Drury was the best ground gainer for O. N. U. as he seldom failed to gain ground. "Ike" Nussbaum played a wonderful offensive game, eluding the Bluffton tacklers more than once, for neat runs. Melkerson heaved the ball to Nussbaum and Doly for several gains. Gutnecht, Keener, and Gennett were the outstanding defensive players for the Bears.

BOWLING GREEN—SEPT. 29—BOWLING GREEN

Although playing a stubborn and determined game, Northern lost to Bowling Green by a 7 to 0 score. It was the Polar Bears' "off day" and though try as they did to score, it was of no avail as they were sadly outplayed in every department of the game. As usual, however, Nussbaum showed up well on the offensive, running the ball back ten and fifteen yards on receiving a punt. Near the final whistle Van Horn stepped out and proceeded to pass, and run the ball towards the goal. If it had not been for one of his teammates accidentally falling in front of him, the score would probably have been different. Gutnecht, Kennedy, and Glathart were the outstanding players for Northern, however, stopping the charges of the opponents wherever they attached. Bowling Green obtained their touchdown as the result of a forward pass from the twenty-five yard line to the one yard line. The next play, an off-tackle play put the pig-skin across. "Bob" Allen also played a nice defensive game.

CASE—OCTOBER 6—CASE

The Polar Bears displayed a brilliant and superior brand of football in the game against Case, and won the game by a score of 14 to 6. The opening whistle had scarcely been blown before Gutnecht, the happy-starred, full-blooded, high-spirited center of the Northern team shot out from a pile of scrambling athletes, and grasping the fumbled oval, ran thirty yards for a touchdown. That did not finish the Northern glory, however. The attack of the Bears was constant and truly savage. From start to finish they showed that real Polar Bear spirit, trampling everything before them as they marched on to victory. In the middle of the fracas "Bill" Dailey made the victory certain when he snatched a pass out of the air and crossed the line for another marker. "Dick" Long and "Swede" Melkerson both played a good defensive game. Northern's passing combination worked wonderfully during the entire game, Drury passing and Nussbaum receiving. "Bob" Allen's defensive work was exceptional and on several occasions he caused the Scientists to kick, often they had started on what appeared to be a real attempt to score.

RICHARD LONG—FULLBACK

"Dick" does not belong to the sensational type of players. It was his cool, steady playing that won him a place beside O. N. U.'s football heroes. As a runner of the ends and line plunger he was exceptionally clever. Long was also a splendid defensive man. Much is to be expected of "Dick" in the future.

ARTHUR WARREN—QUARTERBACK

In Warren, the Polar Bears had an able assistant to Nussbaum. His calling of plays, expert ball carrying, and sparkling defensive work stamped him as a star of the game during his first season on the varsity. He was in every play that took place while he was on the field.

WILLARD DAILEY—END

In Dailey, Coach Meredith had a dependable kicker. His twisting runs, stupendous lunges and crafty handling of passes stamped him as a star. Time after time "Bill" spilled the opposing halfbacks behind the line of scrimmage, before they could get started. Dailey also received honorable mention for the All-Ohio team.

GENE DRURY—HALFBACK

Drury was a capable and consistent performer throughout the season. He showed up exceptionally well at end-runs, and running back punts. Whenever he got the chance he was away and it usually required more than one man to bring him down to earth. His brilliant playing throughout the entire season was of such a variety as to make him an outstanding figure.

M. L. MONNOTT—END

Monnot at end acquitted himself nobly. He was able to stand out well on a team that was a consistent loser. "Red" was a hard, sure tackler, was always down under punts, and it was next to impossible to take him out of a play. His ability at receiving passes also helped Northern to gain ground.

Games

HEIDELBERG—OCT 13—HEIDELBERG

Coach Meredith's warriors dropped this fast fracas to Heidelberg by a score of 24 to 6. Heidelberg scored once, indirectly due to a fumble by Northern, scored twice on intercepted passes, and made the fourth counter due to a blocked kick. However, the victors were not as superior as the score indicates. They were just favored with the breaks. Checking the first downs, Northern scored ten to Heidelberg's six. A tie score would have been more just to the ability of both teams. In spite of all the discouragement, the Northern men fought on and checked the enemy again and again when a score seemed certain. They carried the fight throughout the struggle and were knocking off gains when the final whistle blew. "Dick" Long carried the ball over the line in the final quarter after Northern had advanced the ball, by passing, up to the four yard line. "Short People" Nussbaum had the spectators on their feet several times during the third quarter with his daring end runs. The fleet little quarter made many gains for twelve and fifteen yards.

BALDWIN-WALLACE—OCT. 20—BALDWIN-WALLACE

Galloping up and down the gridiron with ease the Polar Bears smothered the Baldwin-Wallace eleven to the tune of 32 to 0. There was nothing exceptional about any one person's playing. Comparing the two teams, the score should have been much larger than it was. The Northern squad, had it taken advantage of all the breaks should have scored at least thrice more to justify their ability. The principal attack by Coach Miller's eleven was by the aerial route, although end runs and line plays were bountiful throughout the game. Warren made an impression with his neat offensive work. He made long gains consistently while in the game. "Ike" Nussbaum displayed some real football also, carrying the pig-skin over the line three times and kicking the extra point as many times. "Swede" Melkerson again showed up well on defensive work, stopping several opposing runners before they had started. Monnot, the sorrel-topped lad, made a great hit with the fans, catching passes from Warren for long gains, and intercepting several Baldwin-Wallace passes.

OHIO UNIVERSITY—OCT. 27—OHIO UNIVERSITY

With their fighting spirit at its highest pitch and the enthusiasm of hundreds of alumni and students expressing itself, the sons of O. N. U. went down to defeat in their Homecoming game against Ohio U.

The score was 39 to 0, although the Ohio U. squad was recognized as the most powerful team Northern had to face this year. The Polar Bears gave a beautiful exhibition of the football they were capable of playing, and made the opponents earn every yard they gained. Early in the second quarter the Ohio U. backs raced the pig-skin to Northern's one-yard line, with four downs to go. They attempted to score, but to no avail. The eleven Orange and Black clad warriors had fit themselves for the occasion and each time forced the mighty line drives back with such force that the enemy was forced to give up the ball on downs. "Cy" Keener, and Kennedy showed up well on defense, while Nussbaum played best on the offensive for Northern. Clark did some fine kicking, seldom losing ground in exchanging punts with McKinley of Ohio U.

EDWARD CLARK—HALFBACK

Clark played a great game at halfback, his kicking was an asset to Northern, offensively. It was indeed unfortunate for the Polar Bears that his rapid development was retarded by early season injuries. In spite of this difficulty, however, he took part in the line-up whenever needed and helped to advance the ball.

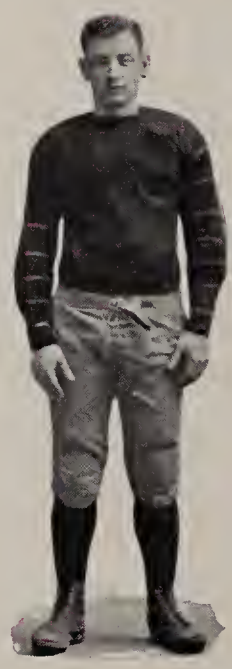

RUSSELL CRAIG—GUARD

This past season was Craig's last year with the Northern team and he certainly deserves the good will of the student body and alumnus for giving all he had to his Alma Mater. Craig was always fighting, and fighting his hardest when in the game. He was a man known and feared by all his opponents.

NILS MELKERSON—HALFBACK

On defense and blocking, all looked alike to "Swede." Many a Northern pass was a success due to "Swede's" blocking off an opposing player from the passer. He understands the fundamentals of football and practices them. His service on next year's varsity should be of great worth to Coach Meredith. Melkerson is blessed with speed, strength, gameness and determination.

W. H. FRIEDMAN—TACKLE

The Polar Bears had in Friedman a lineman of enviable ability. He is powerfully built, fast, and a good charger, in addition to possessing a smart football head. This was "Bill's" first year on the varsity squad and with another year of experience this lineman should develop into a player of great worth.

ROBERT ALLEN—FULLBACK

"Bob" is really even more ferocious than he looks. Once under steam this human Big Bertha is as fine a ripping, battering ram as you could hope to see. He is not a flashly runner, but holds his feet well, is a terrific line smasher, and also one of the best defensive players at backing up the line, that Northern boasted of this year.

Games

DENISON—NOV. 2—DENISON

Fighting on a field of mud and water, the Polar Bears succumbed to the onslaughts of Dension's "Big Red" to the tune of 32 to 0. Due primarily to the damp condition of things, Northern had four punts blocked which resulted in three of Denison's markers. The fighting Bears were without the services of their star quarterback, "Short People" Nussbaum, his leg having been injured in the game with Ohio University. Warren, however, showed up well at the position and deserves a lot of credit for the ability he portrayed in running the team. Denison, with her powerful line, tore huge gaps for her backs to romp through, and even though weather conditions were not favorable for an aerial attack, two touchdowns were scored on long pass plays. "Red" Monnot, Gutnecht, and "Dick" Long showed up best for Coach Meredith's squad. All of the members of both teams saw action at some time or other during the contest.

MT. UNION—NOV. 10—MT. UNION

Playing under a fall of wet snow, the Ohio Northern warriors were defeated by Mt. Union to the tune of 12 to 0. During the first half the two teams appeared evenly matched and it was a good game to watch, as they battled each other up and down the field, only to give up the ball when within scoring distance. Passes, plunges and end runs seemed to work to perfection until the offensive team was inside the twenty-yard line, and then the defensive team bolstered up and the offensive weakened. Reiser, Northern's left tackle, tackled hard and often, and was responsible for much of the fine defensive work of the Polar Bear eleven. "Danny" Gennett and Glathart also showed up well for the Ada team.

DAYTON—NOV. 17—DAYTON

Playing the last game of the season, and for some of the players, the last game of their college career, the Polar Bears were smothered under a 41 to 0 score by Dayton University's eleven. The Northern squad, led by "Dick" Long and Gutnecht, played heads up football but were just simply outclassed by the big Dayton eleven. Long played halfback and made a remarkable impression with the fans and players by his fine defense work, and his line plunging when on the offensive. Dayton, although playing a superior brand of football, were also aided by obtaining all the "breaks." Nussbaum and Clark both played a good offensive game, several times breaking away from the opposing tacklers for long gains. "Swede" Melherson and Allen played their usual good defensive game.

HARVEY GALLANT—HALFBACK

As a ball carrier Gallant was right there. His line plunging and running the ball from scrimmage made him a valuable asset to Coach Meredith. On the defense he was equally as good, being a very accurate and hard tackler. Gallant will without doubt be an added link to the strength of next year squad.

WILLIAM MESSENGER—GUARD

Messenger is rather stalky and for a guard he is fast, agile and crafty indeed, as well as being an untiring worker both during practice sessions, and on the gridiron. Concentration, determination and aggressiveness are outstanding qualities of this man. Much is to be expected of "Bill" as a lineman in the season to come.

GAMBER—END

Although his first year on the varsity, Gamber proved himself worthy of being in the fray at all times. He was a very active part of the Bears defense as well as receiving passes, and applying his speed to the fall of the opposition. Due to serious injuries that he received in the early part of the fall he was incapacitated for the remainder of the season. Torn ligaments and a broken leg were given great care by him, thus attaining a successful recovery.

ANDERSON—TACKLE

"Andy" came through playing with a snappy spirit at every turn of the game, thus giving his team a winning spirit and plenty of pep. Time after time playing a game that gave the opposition plenty to think about. With the fundamentals of this game well in hand much is expected of this first class player in the future, as he is of the active type and full of football instinct.

HOWARD NUSSBAUM—QUARTERBACK

" Ike" the stocky little signal barker was nominated as one of the best quarterbacks of the conference and received honorable mention for the all-Ohio eleven. He is an exceptionally good passer, and both fast and elusive, as a ball carrier. This past season was his last at Northern and he will surely be missed by the boosters of the Polar Bear teams.

DUNWOODY—HALFBACK

"Walt," is really much more ferocious than he looks. Once under steam this numan Big Bertha, is as fine a ripping buttering ram as you could hope to see. In addition to being a terrific line smasher, and a flashy runner of the ends, he proved to be one of the Polar Bears defensive strongholds, backing up the line in a remarkable manner.

DANIEL GENNETT—END

Northern had in "Danny" a fast shifty end, who was in the thick of the fray all the while, and doing much throughout the season towards putting the Polar Bears on top. He proved himself, in every game of the past season, giving all he had to the game, and giving the enemy plenty to worry about.

HOWARD CRAIG—END

Craig is rather light for an end, but he is fast, agile, and crafty indeed. His uncanny ability at sizing up the opposing team, and his keen judgment in diagnosing the enemies plays is exceptionally keen, and worthy of the highest praise from the Polar Bear boosters.

Freshman Foot Ball

This year's freshman team should be the source of plenty of good football material for this coming fall's varsity. At the first call, a huge crowd of 'freshies' assailed Coach Zimmer, each of them seeking to earn for himself one of the much coveted numerals.

Each night the squad went through a grinding workout against the varsity players and they deserve much praise for helping to put the Polar Bears in fighting trim. The men also received a good drilling in the fundamentals of football, including handling and passing the ball, stance on the line, art of line plunging, punting, and the like.

The men who were recognized as constituting the freshman squad are: Allensworth, Allen, Brennaman, Cole, Charles, Cuznechow, Dworker, Domizi, Dawson, Emmons, Gallager, Graham, Goodman, Hammond, Hoffman, Kemp, Knickerbocker, Lavine, Newbold, Medoff, Myers, Petro, Peterson, Pau, Rau, Reiff, Rice, Shultz, Shamon, Smith, Spitter, Shoop and Strauss.

CHARLES GUY ZIMMER
Coach of Basketball

Charles Guy Zimmer

In his second year at Ohio Northern Zimmer has experienced quite a bit of success as varsity mentor in basketball, track, cross-country, and freshman coach in football.

C. Guy Zimmer came to Northern to fill the vacancy left when the former coach resigned his position. Without any doubt, the job he undertook has been accomplished in a way which commands commendation of the highest nature.

Before coming here to help mold the Polar Bear teams he obtained a year and a half of experience while a student at Ohio University. He left there to enter the army where he played football and basketball with his battalion. Upon his return he served four years as head of athletics at Belle Point High School. Seeking to obtain his degree at Ohio University he entered there once more as student coach, where he coached frosh basketball, varsity cross-country, and was an assistant in track.

The Northern Squad came throught the 1928-29 basketball season with remarkable success in spite of the many difficulties that they encountered. The freshmen from last year's squad came through to the rescue and worked hard to make the good combination that was had throughout the season. Near the close of the season the final cuts were made and the resulting squad consisted of: Spisak, Jakobs, Stickles, Francis, Shelly, Long, Daily and Kattman.

The Games

CAPITOL UNIVERSITY

Playing the last game of the season on Brown floor, the Bears came through with flying colors and nosed out Capitol U., 41-37. The fast foul tossing by the Purple outfit almost cost them their victory. The game was slow in starting and neither team did much scoring the first few minutes. Kattman started things when he dribbled under the basket for a neat two-pointer. At the half Capitol was leading by a score of 21-15. With the aid of Jacobs, however, things soon looked brighter for the Ada boys and they were able to forge ahead of the opponents.

BOWLING GREEN

Northern's basketball team went down to defeat before the overwhelming score of 42-19. The victors were the Bowling Green cagers. At no time during the game did Northern endanger her opponents. Seemingly handicapped by the extremely large floor, the Bears played if if they were lost.

BLUFFTON

Ohio Northern defeated Bluffton on the Brown gym floor to the tune of 44-25. With only one point difference in the score at the half, Northern swamped her opponents in a deluge of shots and soon piled up a comfortable lead during the final period. Jacobs and Long hit the basket consistently and with the other players getting baskets, the lead was gradually enlarged.

MUSKINGUM

In one of the most exciting and best played games seen on the Brown floor this year, Muskingum College defeated the Zimmermen, with the final score being 34-32. From start to finish both teams played a tight game and it was merely a toss-up as to which team would win the fight. Northern jumped in the lead at the start but the Muskies soon tied the score and from then on the score never varied more than three points. Every man on the Bear Team scored during the game. "Dick" Long once more took the scoring honors with a total of ten points.

HEIDELBERG

Ohio Northern University bowed to the powerful Heidelberg University basketball quintet in a fast played game that ended with the score at 41-37. It was the first home conference game for Northern and the Brown gym was filled to capacity. "Eddie" Stickles was Northern's high point man with seven baskets, and two free tosses.

OTTERBEIN

Otterbein bowed to Northern, 47-37 in a conference tilt at Brown gym. Learning that Dr. Williams was attending the basketball game, the Polar Bears made a great effort to make a good impression upon their leader-to-be, who is intensely interested in this sport. Otterbein led 8-1 in the first quarter, but were slowed up by the Bears and when the gun sounded at the half, led by a score of 26-24. New life came to Northern and in the second period they came up to a win of ten points.

MARIETTA

The Bears trampled over Marietta College by the score of 40-29 in Brown gym with a large crowd present. The Polar Bears had sweet revenge for the one point defeat they took at the hands of the Marietta five on their own home floor. "Dick" Long started things moving with a long shot from the center of the floor.Dailey and Kattman and Francis played a good defensive game for the Bears.

BALDWIN-WALLACE

With less than half of the final period to play, Northern led by seven points, a margin that seemed to be sure of a victory. Baldwin-Wallace sent in fresh men and the margin gradually narrowed until with three minutes to play the Polar Bears were leading by two points.

Schmegler came to the rescue for Baldwin-Wallace by scoring three of his famous long shots from the center, putting O. N. U. in the dark by four points. Kattmann was offensive star for Northern, scoring eleven points, six being from difficult points of the floor.

KENYON

Ohio Northern defeated Kenyon College 30 to 27 in a midnight session on the Gambier floor. The Bears jumped into the lead right after the initial whistle but Kenyon wormed up near the end of the first half and led 14-13 at the half. Long and Nussbaum did fine shooting throughout the game and "Dick" Long was high scorer with eleven points. "Bill" Dailey, an old veteran, played a great deensive game.

HOWARD NUSSBAUM

It is to be regretted by Northern's athletic fans that "Ike" Nussbaum, a star player for the past three years, is to be lost by graduation this year. "Ike" has played fast and well, for the glory of Northern, whether on the basketball court or football field, and has surely won for himself a place on Northern's honor roll of athletic participants. Nussbaum played a fast, consistent game from the first whistle to the end of the game.

EDWARD STICKLES

"Eddy" played a forward position and although it was his first year as a forward he showed up remarkably well. In addition to being able to sink the ball for double-deckers from any position, his passing, and floor work, compared with the best of players. Stickles played a steady game throughout the entire season, and could work the ball into scoring position with the art of a veteran.

WILLARD DAILEY

This long, lanky boy from Danville, Ohio, was Kattman's running mate at the guard position and surely did a wonderful job of it. His consistent, hard playing has been a very valuable asset to this year's team, and has been a big factor in keeping down the opponent's score. Many a team that encountered "Bill" were forced to resort to the long-short method to obtain their markers.

ROBERT FRANCIS

Another first-year man on this year's varsity who has made good is none other than "Bob" Francis. "Bob" held down a guard position and any player that opposed him usually found goals as scarce as hen's teeth. In addition to playing an air-tight game he was able to register many of Northern's points by coming up center of the floor when the forwards were guarded too closely.

The Games

MARIETTA AT MARIETTA

Polar Bears lost to Marietta 32-31. "Eddie" Stickles broke in at the forward position and Nussbaum and he were the scoring stars of the game. "Eddie" scored twelve points. "Bill" Dailey kept up his good game at the rear end position.

CEDARVILLE COLLEGE

Cedarville College ably substituted for Mount Union January 5, by handing Ohio Northern a defeat to the tune of 41-29. Good consistent playing was had by both teams and kept both in the neutral until the last five minutes of play when the defense of the Bears crumbled and the Cedarville tossers started scoring at will. Allen of Cedarville, playing forward, was the star of the game with 18 points.

WESTERN RESERVE 46; O. N. U. 35

Opening up on the Ohio Conference seasons, the Bears lost to Western Reserve at Cleveland to a tally of 46-35. With a strong start as usual, the Northern five went in the lead, staying for the first quarter but the Red Cats came back strong for revenge, and led at the half, 27-16. "Ike" Nussbaum, acting captain for Northern and "Dick" Long were the high scorers for the Northern squad with eleven points each.

BLUFFTON AT BLUFFTON

Opening the season for the Beavers, Northern took them into camp with a score of 24-21. The Bears seemed slow in starting, but when they started to go, a three point lead was the best, due to a lack of more time.

BOWLING GREEN HERE

Ohio Northern won their third straight victory when they defeated the Bowling Green State Normal, leading at the end by one point, 35-34. The exciting end came when O. N. U. Bears were ten points in the lead at five minutes to play and Bee Gee came through with a scoring spree which can be classed as one of the most exciting finishes any spectator can hope for in a basketball game.

OBERLIN COLLEGE

Oberlin deefated Northern 19-18 at Oberlin in a game that was a fine exhibition of conservative basket ball from start to finish. Northern outscored Oberlin four to three from the floor during the final period, but Oberlin was better from the free throw line and nosed the Bears out of a victory. Allensworth of Oberlin was the star of the game, while Long and Nussbaum went well for the Polar Bears.

CAPITOL UNIVERSITY

The Polar Bears lost their last game of the season to Capitol University at Columbus by a score of 36-33. Northern's defeat can easily be attributed to their weakness at free throw attempts from the foul line. Capitol demonstrated her strength in this phase of the game by making good eight out of eleven, while the Bears scored only seven out of fourteen trys. Both teams were evenly matched on floor play, and the game was a real battle with neither team appearing to hold an edge over the other. "Dick" Long was high point man of the game with a total of twelve points.

WOOSTER COLLEGE

Swamped under a deluge of shots from all over the floor, the Northernites were defeated by Wooster College by a one sided score of 5-24. Only during the first few minutes of play did the Bears look dangerous. However, it was not long before the score was tied and from then on it was merely a matter of how many points could be scored on the Northern team.

ASHLAND COLLEGE

The Zimmermen received a trouncing in Brown gym by the Ashland college quintet to the tune of 38-31. Except for the first ten minutes of the game, Ashland had things their own way and only by a good rally near the close of the game was Northern able to make the score even seem close. "Eddie" Stickles was high scorer of the game with 13 points.

KENNETH JACOBS

"Jake" played a forward position, and although this was his first year on the varsity, he was one of the mainstays of Coach Zimmer's quintet. His remarkable adeptness at finding the loop, for counters, from close under the basket has won him favor by all that have seen him play. In addition to playing a fast offensive game, Jacobs is doubly as good as a defensive man.

HAROLD SHELLY

Although this was Shelly's first year on the varsity squad he did do well in every fray he entered. He was one of the big men on the team and much is to be expected of him in the two years to follow, now that he has had one year of college basketball experience to his credit. His regular berth was that of back guard but at times he was called to the position of center.

HENRY KATTMAN

"Hank" held down a guard position and is one of the players that aided in a large way to keep the Polar Bears well advanced in the conference. His defensive work and accurate passing was above the average throughout the entire season, and coupled with his fighting spirit, made him one of Northern's most valuable players. It is indeed unfortunate for Northern that he is to be lost by graduation this year.

Cummins, Florida, Parrino

Northern's Cheer Leaders

Should there be a roll of honor made up of all the cheer leaders this school has had we would immediately nominate "Freddie Florida" to head the list. When cheers were needed to help brighten the spirits of our athletic teams in a hard fought contest, whether winning or losing, "Freddy" was always there with a yell. He knows his yells and what's more he gets them out of the rooters.

In John Parrino, Florida had an assistant of whom we can be proud. "Ray" Cummins, a freshman, also helped out and proved his capability, and worth. in keeping the rooters in unison.

These boys worked hard, consistently throughout the year, and too much credit cannot be given them for the sacrifices they have made for Northern.

Freshmen Basketball

Seventy-five men reported to "Big Bill" Meredith when he issued his first call for candidates for berths on the Freshman basketball team. Owing to the large number responding Meredith had difficulty in reducing the squad to a small number. Without a doubt, the frosh team this year was the strongest outfit Northern has seen in recent years. By the process of elimination, "Bill" finally cut his squad down to three full teams. In all probability many men were cut that should have been on the team. This was due to lack of enough practice room in the early part of the season, and the absolute necessity of cutting the squad down to a fair quintet for scrimmaging against the varsity.

Among the several games the frosh played were the Sigma Phi Epsilon and Theta Nu Epsilon fraternities. Both of these fraternity teams succumbed to the freshmen by a large score.

The fifteen men that comprised the team were: Nice, Ross Smith, Roscoe Smith, Pees, Martin, Hoffman, Bolen, Moorehead, Allen, Rau, Shannon, Hayes, Hinkle, Barton, and Brennaman.

Jones, Spreen, Genevriere, Battles Capt., Runser, Martin
Harmon, Pugsley, Decker, Goodman, Miller
Coach Smith, Manager Fogle

Girls' Basketball

At the first call for material, issued by Coach Guy Smith, eighteen girls answered for practice. With only three of these girls having had previous varsity experience, Coach Smith proceded to build his team. After careful practice and study the girls pictured above were chosen to form the squad which was to represent the Bearettes this year. Mildred Battles, stellar guard from last year's team was chosen to act as captain and Nelle Fogle was appointed manager for the third successive year.

A heavy schedule of eight games was played and the record of five victories was very commendable.

Cross-Country

We are proud to relate that although this department of athletics is rather new at Northern, great strides in its development have taken place and it will soon be unexcelled in spirit. As excellent showing has been made in the various meets of the past year. The students are backing the team with a whole-hearted spirit making this event a very prominent part of O. N. U. athletics.

Having but two veterans, Pancho and Stoner, Coach Zimmer had a problem in selecting his men. The following were his choice in addition to Pancho, and Stoner; Stroh, Morrow, Stewart, Masters, and Rundall. Due to serious injuries to his feet, "Charlie" Stoner, our old reliable, of whom much was expected, was forced from competing in any events after the first two meets.

Northern had but five meets, winning three of the five and losing the other two by very close scores. Denison, Oberlin, and Bowling Green yielded to the hard fighting sprinters of O. N. U. The Bears weakened to Muskingum and Michigan State Normal, however.

Maloney, Grimm, Anderson, Barone, Pankow, Whisker
Stoner, Kennedy (mgr.), Campbell, Zimmer (coach), Culler
Monnot, Franz, Crow, Craig

Varsity Track

The track team made a very commendable record the past year under the able leaderships of Coach Zimmer. This sport is as yet a comparatively new one at O. N. U. but interest is speedily growing and soon will take its rightful place in the athletic activities of the university. The past year the team placed fifth in the Big Six meet, and third in the Northeastern meet. Each of the track men place in the following events: 100 yard dash—Culler and Monnot; 440 yard dash—Maloney and Craig; 880 yard dash—Anderson; Mile run—Anderson, Pancho and Stoner; 2 mile run—Anderson, Pancho and Stoner; 220 yard low hurdles—Grimm and Campbell; 120 yard high hurdles—Franz; Discus—Franz, Crowl, Collett and Craig; Shot put—Franz, Crowl, Collett and Craig; Javelin—Whiskers and Craig; Pole vault—Campbell and Long; High jump—Campbell and Long; Broad jump—Grimm and Campbell; Relay—Maloney, Craig, Culler, Monnot and Grimm.

Varsity Baseball

By winning eight of thirteen games played, Coach Meredith and his horsehide chasers, enjoyed a fairly successful season. Inclement weather conditions retarded proper development of the pitchers, and handicapped the team as a whole. In spite of these adversities the team, by limited practice, hard playing, and love for the game, came out on top.

Base Ball Games

On the Bluffton field April 14th, Northern won its inaugural game to a time of 9 to 7. The game was a seven inning contest. Simmons and Melkerson took turn on the mound and allowed a total of but three hits to the Beavers.

April 25th marked the first defeat of the season for O. N. U. Heidelberg scored five runs to Northern's three.

The Polar Bears journed to Westerville two days later, where Otterbein bowed in defeat to the O. N. U. nine. The score was 14 to 2. All members of the varsity came through for at least one safety, while Parcell, Graves, Jaycox and Hunt each captured three hits. Van Echo cleaned the sacks in the final inning with a neat home-run.

Northern chalked up another win, the next day by upsetting Capitol on the latter's home field. The score was 21 to 6. Hoffman came through with four runs, while Jaycox came from behind and smacked the pill for three hits, one a triple that sent two men over the home plate. Graves' sensational fielding was the feature of the game.

May 1st saw Northern in a listless ball game, which they lost to Bluffton by a score of 7 to 6. Although Sickafoose was not hit hard, his wildness helped Bluffton to score the winning tallies. With the entrance of Melkerson for Northern the game tightened up and from then on it was a pitcher's duel.

In the return game with Heidelberg, Coach Meredith's men came out ahead, the score being 15 to 2. "Johnny" Simmons pitched a wonderful game and with the help of his teammates, worried four opposing pitchers.

The Flying Bowling Green squad was defeated by a 13 to 2 score by "Bill's" proteges. With "Swede" Melkerson on the mound, little trouble was had with the train flaggers. Daily and Jaycox starred in this game on the field and with the bat.

Defiance College was defeated next, to the tune of 16 to 9, in a very loosely played game. Simmons in the box gave the opponents but ten well scattered

Two days later Defiance was met for a second time. In this game they showed a complete reversal of form and took the game with a score of 7 to 4. Creditable pitching was maintained by Melkerson but ragged fielding explained the downfall.

In the next game, with Bowling Green, the Polar Bears took revenge while both teams were playing championship ball. The game from start to finish was a howling battle between the opposing pitchers. 3 to 2 was the final score. Errorless ball on the part of all players was the feature of the game.

Capitol returned to Ohio Northern's field to beat the Polar Bears with an 8 to 5 score. This game was another gruesome battle between the pitchers. Northern, unable to start a victorious rally, gave way but not without great courage and hope throughout the game.

The last game of the season was lost to Otterbein by a score of 4 to 1. "Jack" Graves and "Bill" Dailey showed some first class fielding in this game, snagging hot liners, time after time. Simmons and Melkerson pitched, with Hunt and Drury on the receiving end.

EDWARD L. WALPOLE
Instructor in Boxing

EDWARD L. WALPOLE

With great success and achievement on the athletic development of the University we find an outstanding figure in the boxing profession making much headway as the boxing instructor at Northern. "Eddie" Walpole, now a senior in the college of law, a man experienced in the science of boxing, has produced many good men of inate ability, in his past two years' work as instructor in this department.

As a youth of twelve he began his career on board the old battleship Michigan, located near his home. He won great prominence as an amateur boxer, and later appeared as a sparring partner for Jack Dempsey on the vaudeville stage.

Before coming to Northern he was connected with the Toledo Athletic Association, and the Y. M. C. A., where he served as boxing instructor.

Under the efficient leadership of Walpole, part of the classes have developed into huskies of self-defence who can be relied upon to stand their own ground in any case.

With new facilities being made each year we find Northern keeping pace with other schools and larger universities, in this field of sport.

Another sport that has recently entered the athletic curriculaum is that of the many art of self-defense, namely Boxing. This class was under the efficient tutorage of "Eddie" Walpole, a former sparring partner of Jack Dempsey.

Fundamentals, as well as the finer details, were taught to the men desiring to learn something of this sport. Under the competent instruction the entire boxing class, in spite of the fact that they were novices, progressed rapidly.

Walpole was not haphazard in his teaching, but on the contrary was very scientific. Starting with position of arms and feet, he then proceeded to show footwork, use of the left lead, and right punch, use of the hook, block and also the knowledge of clinching.

Boxing, in addition to teaching the actual protection of oneself, also instills into the heart of men, self reliance, and respect, which is so necessary for a successful life.

Intramural Track

The Intramural Track Meet found the Theta Nu Epsilon Fraternity far in front with 64 points. The Delta Sigma Phi nosed out, on a hair-line margin, the Theta Kappa Phi Fraternity by one-half point.

Franz, Theta Kappa Phi, was the individual high point man with 19, while Grimm, T. N. E., was close behind with 18 points. Anderson, T. N. E., and Baransy, Delta Sigma Phi, were tied for third place with 15 points each.

None of Northern's records were broken in the meet but great student interest was shown with independents competing with the same spirit as those representing Fraternities.

Indoor Baseball Fraternity League

In all sports of the spring for good clean sportsmanship we find indoor baseball occupying the highest position. Each fraternity is a contender for the championship honors and the winners of this sport is duly awarded with a cup which is presented at the close of the season.

The Alpha Epsilon Pi's played and won four hard and well ministered games to clinch first place in the league. The Kappa Psi's forced the "champs" into extra innings before the final score was settled. In a great spirited game of the season the A. E. Pi's defeated the T. N. E.'s before a large crowd. This game, as others, turned into a pitching duel. Adelman, A. E. Pi, and Frances, T. N. E., were the battlers with the former receiving the edge of a 2-1 victory. With the defeat of the Sig Ep's the A. E. Pi's obtained the '28 indoor honors.

Fraternity League

THETA NU EPSILON—CHAMPIONS

With the past Fraternity League season we associate the Theta Nu Epsilon Fraternity as the "Waterloo" of none but the "Master" of all. A clean slate was kept throughout the season by giving their all in every game and were always backed by a very good group of rooters. The men are honored by their "Brothers" and the student body for their clean sportsmanship and real spirit throughout the season.

The interesting close came when the T. N. E. flashy five topped off the Sig Eps to a very rousing score that put the success of the season in the hands of the worthy Theta Nu Epsilon Fraternity. The game was in all probability the most interesting of the season and was very well ministered as to speed.

There was close scoring throughout the season and each was a very outstanding game for such leagues are seldom found with such great ability. Carpenter and Grimm came through with high scores in the complete season of the team. Being backed by very accountable team-mates we are proud of the boasts that are due our "Fraternity League" Basketball tourney.

Campus League Basketball

A. D. A.'S—CHAMPIONS

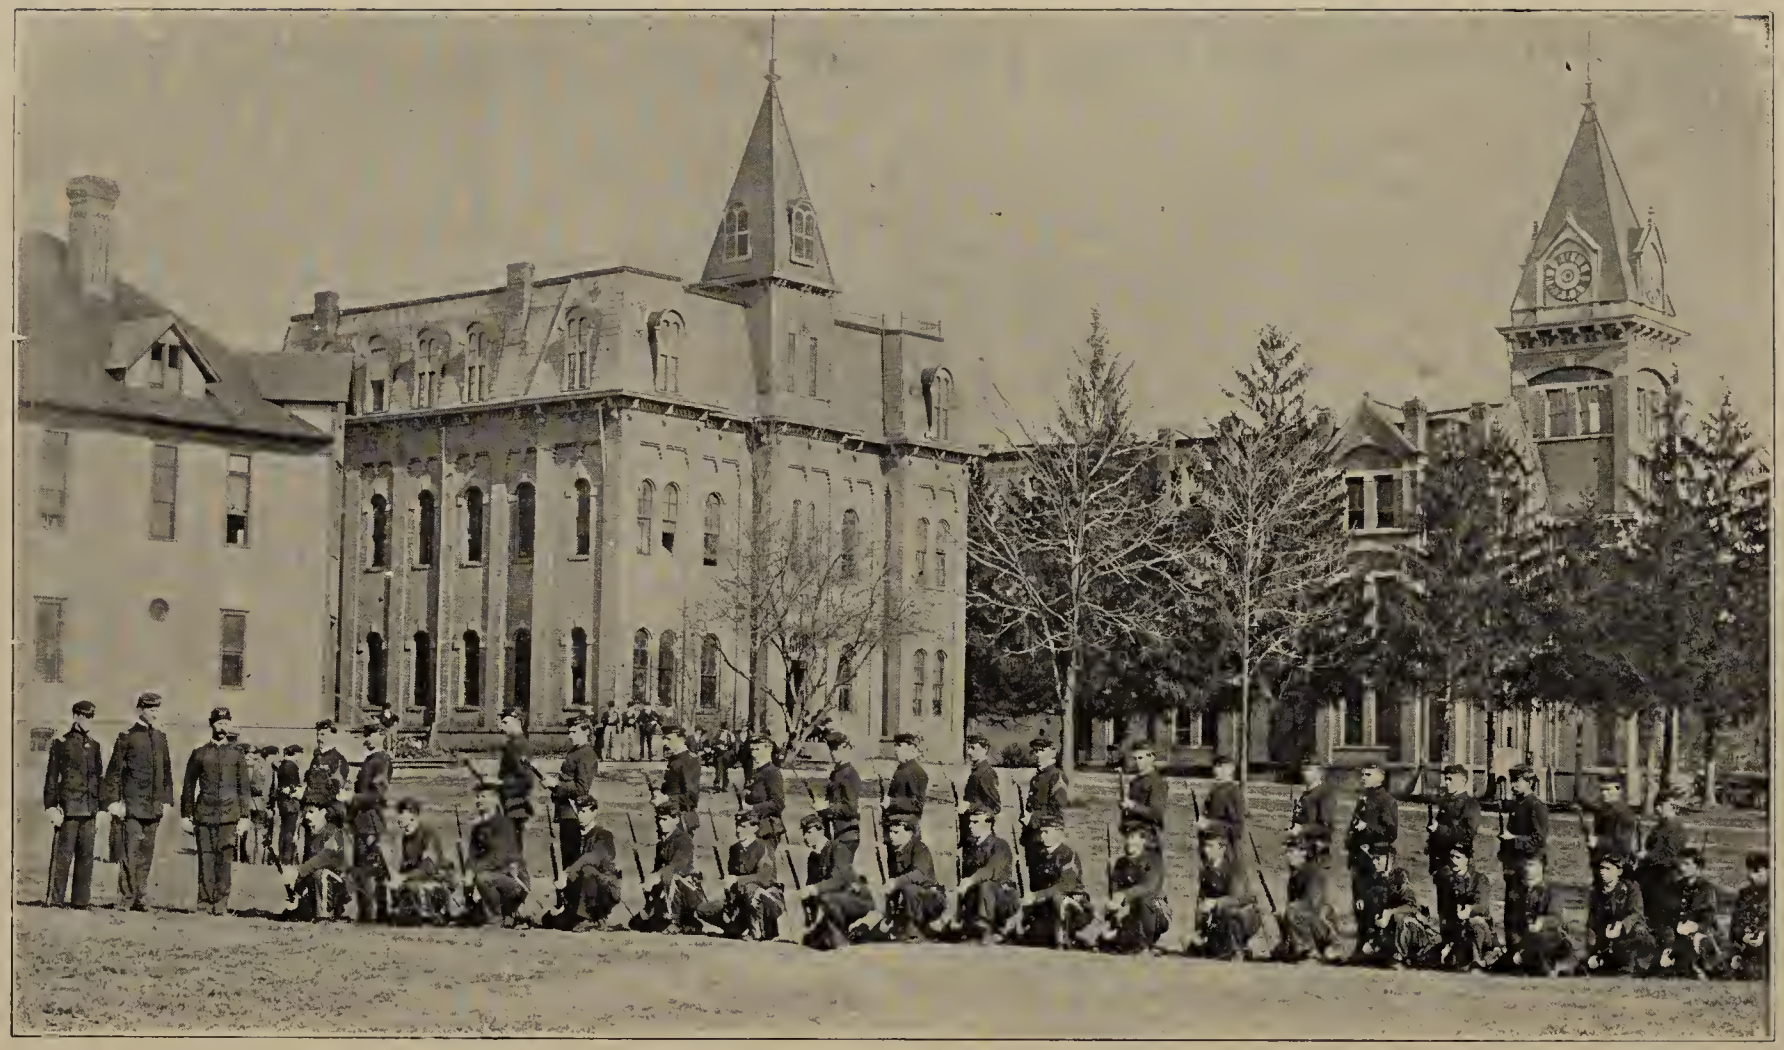

Through the Basketball season the students of O. N. U. witnessed some very good games, and saw many good players in action. Teams would fall to defeat but there was a spirit of praiseworthy sportsmanship shown through out the season by all the teams of which Northern can be proud.

In light of the champions we are proud to relate that all the members of the A. D. A.'s were former members of the Freshman Basketball Squad. With victory to their credit they also took high honors in the League by placing the three highest point men who were, Baransy, Warren and Kaiser, all being on the local A. D. A.'s

These men were also members of the all-star team. The team had little opposition in any of their games except with the North Side A. C.'s which was a hard struggle from the beginning when the North Side took a five point advantage which they held to the last quarter. At this position of the game the locals over came the lead by floor work and passing that the opposition could not stop, giving them a win by one point. With this as the season's history the A. D. A.'s are worthy of much praise.

Ohio Northern's "All Ohio Conference" Band this year enjoyed the most successful season since Director Mazzulla took charge ten years ago. The season opened with a concert at Bellefontaine during fair week. During the year they gave three term concerts and also furnished music for the football games. Concerts were also given in the following cities: Mt. Vernon, East Palestine, Canton, Akron (Keith's Palace), Kenton, Bluffton, Columbus, Alliance, Station WAIU, and at the Republican and Democratic Rallies.

Probably the best known and most popular man on the campus is none other than our own "Mike" Mazzula, Director of the Band. "Mike" is now serving his tenth year as musical mentor of Northern and they can indeed be called the most productive years, for no other single activity has given the university such favorable notice as our band. Signor Mazzulla started as a member of the band in 1917, playing the baritone, then left as a member of the Officers Training School Band stationed at Camp Gordon, Georgia. He returned in '19 and was made Captain of the R. O. T. C. band in '20. He graduated in 1921 and in the fall of that year accepted his present position with the university. During his leadership the band has grown from a mere squad to a highly trained organization of seventy-five pieces: from a nondescript clad outfit to a band whose dress and appearance rivals Sousa's. No inspiring player is too much an amateur, no musician is too accomplished to be without a place in the band of that Prince of Directors—Mike Mazzulla.

SEPTEMBER

Monday 10. This day has been set aside for Freshmen only, that they may register and become acquainted with the ideals and aims of the university without the influence of upper class sophistication. A program for their benefit in the afternoon and a movie for their entertainment in the evening help to make them feel more at home and less like taking the first train "back to the folks."

The sale of chapel seats has been on a decline in the last couple of years, whether it is due to increased conscientiousness on the part of upperclassmen or increased intellect and "wiseness" on the part of the freshmen is undetermined.

Tuesday 11 The upperlassmen have their day. Many familiar faces appear and many hearty handclasps express gladness of return to the old halls of learning. There is a noticeable loss, however, of those who have departed to make their fortune.

Wednesday 12. Nine new faculty members are introduced from the platform; Mr. Miller, Athletics; M. H. Hughes, Engineering; Walter Willinganz, Violin; Miss Mary Phillips, Piano; Dr. Clara E. Scheiber, History; Ben Culler, Assistant in the Language Department; Miss Maude Haley, Education; A. M. Ewing, Assistant in Chemistry; Dean H. E. Huber and Prof. J. R. Harrod returned to the faculty after a short absence.

Thursday 13. It just misses one day of being Friday, the thirteenth. Professor Willinganz exhibited his talent on the violin in chapel.

Friday 14. Sigma Pi fraternity entertain with a smoker.

Saturday 15. News was received of the death of S. Traw Hat, who passed away at his home, Cranium Place early today. He was quite popular in college circles, especially among men. But, as is the way in this busy life his place will soon be filled and he will be almost forgotten. Forgotten? Nay! When the good old Spring comes around again Mr. S. Traw Hat will be recalled with tender memories.

Sunday 16. Nothing to do but sleep, nowhere to go but stay home. Quietness reigned over the little town.

Monday 17. School begins in earnest and there is a noticeable air of concentration and study (which will soon wear off). Many a resolve is made to keep up notebooks and study every day.

Tuesday 18. Prof. Willinghanz calls for those interested in a college orchestra to meet in Lehr.

Wednesday 19. Theta Nu Epsilon, Delta Theta Phi, and Delta Sigma Phi fraternities hold smokers. The Press Club resumes its important work on the Northern Review with Raymond Cookston as Editor.

Thursday 20. A. I. E. E. holds smoker at K. of P. hall and Band has their smoker at T.N. E. house. The Radio Club met and organized for the year at their club rooms in Lehr.

Friday 21. Ohio Northern University's all-Ohio Conference Band delighted the students by an appearance in chapel. Dr. Moser, former graduate of O. N. U., now professor in Leland Stanford, spoke and recalled the Christening of "Dukes" building in the "good old days" when Dr. Smull was a boy.

Saturday 22. A beautiful day. The usual football game with Bluffton to start the season off was a disappointment for such a lovely day and such a big crowd. The game ended 10-10 with no thrills.

Sunday 23. Another Sunday with beautiful weather and an added chill in the air.

Monday, 24. This is the day for sleeping and fraternity meetings. The Northern Review Staff choose Monday evening for their "get-to-gether" at the Herold office to "put-to-gether" the paper.

Tuesday 25. The Girls Debate Club eat their "dinners" early and meet at 6:00 so they can go to see the show at Lehr. Old Ironsides draws a crowd of dates, etc.

Wednesday 26. It seems to be a tradition at Northern for canines to be pleased and fascinated by chapel services. This morning one was unusually interested and evidently showed intelligent response to the announcements.

Thursday 27. Northern Players meet at 6:30 and discuss the great dramas to see if they can be utilized on Northern's stage.

The Engineers meet to plan the future of the world's best inventions.

Friday 28. Professor Weber explained the value of the constitution to American citizens.

Saturday 29. Football game with Bowling Green at Bowling Green. The game ended with O. N. U. on the short end of 7 to 0.

Sunday 30. The Poetry Club meets to study the great poets of the ages in order that the amateurs may improve their art.

OCTOBER

Monday 1. The day of reckoning for the Freshmen arrives and the month of grace is ended. Vigorous yells and melodious songs are produced at the command of unrelenting upperclass men.

Tuesday 2. Congressman Martin L. Davey, Democratic candidate for governor of Ohio spoke in chapel.

Wednesday 3. Results of the straw vote accords Herbert Hoover first place among Northern students for President of the United States.

Thursday 4. The Boys' Glee Club pleased their audience by singing some old Southern melodies.

Friday 5. A pep meeting in chapel led to rousing cheers and enthusiastic speeches. Coaches Miller and Meredith stir up.

Welcome Park is still going strong.

Saturday 6. A beautiful autumn day and a perfect day for the "migration" to Findlay where Northern won a 14-6 victory over Case at the New Donnell stadium. Impressive dedicatory exercises opened the great day at the Findlay High School Athletics' field. The band paraded the field in all its glory and Northern's gridiron men displayed brilliant new uniforms in the flashing sun.

Sunday 7. Another beautiful autumn day, which accounts for the absence of tramping feet on Ada's streets.

The International Club held its fornightly meeting at the home of Mrs. Davis.

Monday 8. It rained, but not here. The "Yanks" and the "Cardinals" called off their game on account of the rain.

Tuesday 9. It didn't rain here nor in New York for the "Yanks" won the series. Many were the dear possessions parted from their owners to pay a "pressing debt" among them, even Fords.

Wednesday 10. News received that Eliza McKee and Jim Krug have been married.

Thursday 11. Girl's Hockey team takes advantage of "October's bright blue weather" and gets out some practice.

Classes elect officers. More politics show up.

Delta Sigma Phi fraternity has another smoker.

Friday 12. "Doc" (the dog) helped to lead cheers this morning and furnished his allowance of "pep" to the success of the morning. Ray Cummins was elected freshman cheerleader.

Betty Powell entertained a group of friends to a weiner roast and some of them enjoyed the dance at Welcome Park afterwards.

Saturday 13. This day turned out like a traditional "13" day It rained, we lost the football game to Heidelberg 24-6 and Gambier tore a ligament in his knee.

Sunday 14. Bud Mack decides to go to Epworth League.

Monday 15. More of Dan Cupid's work—"Sid" Campbell and Elwood Rhurak were married October 3.

Freshmen girls appear in their "cunning" trench caps. They can be distinguished from the upperclass girls now.

Songs and yells still permeate the October air and add their melody to the fragrance of burning leaves and Indian summer days.

Tuesday 16. Some people come to chapel to finish their night's rest. This morning the slumberers were rudely awakened by the ringing of the dismissal bell.

Thomas Meighan in "The Racket" was on at the Lehr.

Wednesday 17. Prexy comes to chapel without his "best friends." He finds it a bit difficult to talk without teeth.

Thursday 18. Girl's Glee Club sang in chapel.

Friday 19. These pep meetings in chapel improve every week. Prexy and Dr. Bailey didn't think that the cheerleaders were doing it right so they led with a real cheer. Prexy doing a jump.

Classes were dismissed at 2:30 p. m. and everyone went out to see Northern defeat Baldwin-Wallace 32-0.

Verne Silbaugh appeared with the band in his new golden suit.

Saturday 20. The Michigan-State game at Columbus proved quite an attraction to Northern students. The streets were without the usual madly racing mob. Radios were much in use but some were fortunate in really attending the game.

Sunday 21. Another quiet day if you spent it in Ada—if not it might be anything.

Monday 22. Sigma Pi pledges begged co-eds to sign their names to a fragile and much protected egg.

Dean Needy dashed across the campus in a collegiate slicker. It rained today.

Tuesday 23. The Director of Physical Education of Ohio spoke in chapel on the value of health rules.
Richard Dix in "Easy Come Easy Go" entertained the usual mob of collegians at Lehr.

Wednesday 24. Chapel was a bit chilly this morning.

Thursday 25. The Kappa Kappa Psi band fraternity pledges performed in chapel.
What! No chairs? was the cry as the library opened up for a weekly session from 7 until 9.

Friday 26. The best pep meeting of the year was held in chapel this morning. Prexy sent a message, saying he regretted that illness kept him at home, but that he wished the team all the success in the world on Homecoming Day.
The Frosh girls did their turn at entertaining when they were forced to pull each other in wagons about the campus.
A fog raiser at Lehr at 8:00 and a picture show "The Big Killing" along with a bonfire at the athletic field ended the day.

Saturday 27. Homecoming Day! The old grads returned with enthusiastic cheer and even the rain failed to dampen their spirits.
The Freshmen and Sophomores tied in a sack race; the game ended 39-0 in favor of Ohio University.

Sunday 28. A tired but happy bunch of old grads turned back to grind again. A handclasp, the whir of a motor, a wave of the hand and homecoming is over.

Monday 29. The day atfer the big week-end is rather a drag.
"Doc" decides to attend English class today. Perhaps he will go to French tomorrow. Really, though, he doesn't take his work at all seriously. He thinks nothing of snoring through a dramatic recital of Hamlet's soliloquy.

Tuesday 30. Prof. Binkley chooses his debate team.

Wednesday 31. Alpha Phi Gamma held its first regular monthly dinner at the Cafeteria at 6:00.
Press Club always meets at 8:00 on Wednesday if they can find a room in Hill.

NOVEMBER

Thursday 1. It rained and rained and rained all day. But Mike's band is undaunted by anything so trivial, so they gave a concert to cheer the folks up and it did, too.

Friday 2. Twelve "prominent students" were "called up on the carpet" today and questioned as to their habits of spending evenings at Welcome Park in the well-known pastime of dancing. Action suspended until additional information can be secured.
The band went with the team to Denison. The game ended 32-0 in favor of Denison.

Saturday 3. Coach Meredith took his football team to Columbus to see the Princeton-Ohio game. The rest of us heard it by radio in a cozy place by the fire. It was cold that day.

Sunday 4. A band concert broke the usual monotony of another Sunday.

Monday 5. French Club held a program in Lehr.

Tuesday 6. Today is voting day. All good American citizens wore the tag, "I voted, did you?"
Hattan and Beery proved to be "Wife Savers."

Wednesday 7. Prexy rejoices at the Republican victory.
The girls put out this week's edition of the Northern Review.
Press Club had a party at the T. N. E. house. The evening was spent in playing Cootie.

Thursday 8. Band is selling tags for a trip to Alliance.
Sigma Pi's and T. N. E.'s have more smokers. Where do all these cigars come from?

Friday 9. The culprit dancers hear their verdict after chapel. Nine get probation. The others didn't appear.
Charles Runser entertains at his home on the Harding Highway.

Saturday 10. Northern places three men in the first ten. Game with Mt. Union, 12-0.
The first snow-fall today.

Sunday 11. Armistice Day was celebrated in honor of those who died in France and those who fought to save their nation's honor.

Monday 12. Special chapel was called for Bishop Theodore S. Henderson to speak.
Engineers and Pharmics are busy digging up old traditional hatreds.

Tuesday 15. The band is out campaigning one day for the Democrats and the next for the Republicans.
Show at Lehr, "Kit Carson."

Wednesday 14. Pharmics and Engineers put out green, orange and pink editions of the 'Review.'
Prof. Freeman boosts the Red Cross Drive in chapel.
The band returned from their trip at 4:30 this morning. Just so they didn't come "tooting" home.

Thursday 15. Engineers and Pharmics parade the town and plaster the windows with posters. The boys wore "evening dress" and routed out all the freshmen.
Northern Players had a Hard Time party but everyone had a good time.

Friday 16. A solemn procession filed into chapel, following the sad pall bearers who bore the casket between them. After a fitting service these enemies became friends over the grave of Mr. Hatchet.
The game ended 12-0 in favor of the Engineers. Rain and a greased pig race were added attractions.

Saturday 17. The last football game of the season was played at Dayton.
Football days are over and the heroes of the gridiron and the pigskin will tame down to basketball.

Sunday 18. Sunday—Ho. Hum Yawn! Snooze! Snore! Sleep! Study! Sit and Talk!

Monday 19. Pre-registration week begins for the Winter quarter.
The Stratford Players present Julius Caesar at Lehr. Northern students furnished the mob scenes.

Tuesday 20. Show at Lehr. "Uncle Tom's Cabin."
Alpha Phi Gamma initiates four pledges and has a party at Betty Powell's home in the country.

Wednesday 21. Are you thankful? What for? Why for getting an education?

Thursday 22. Pharmics have a banquet.

Friday 23. This is one of the Fridays when folks stay at home and study instead of starting out on a big week-end.

Saturday 24. This day we spent in preparation of "back-works" and studying here-to-fore innocent of finger-prints.

Sunday 25. Notebooks, theses and maps are prepared in a frenzy of sudden studious zeal and interest.

Monday 26. Examinations! Need I say more?

Tuesday 27. More examinations. Then relief finally. It had to end sometime.
The fall quarter ends and everyone pours out of town for Thanksgiving vacation.

Wednesday 28. This day is spent in telling the folks back home how you rate at Northern.

Thursday 29. Thanksgiving Day and all that goes with it.

Friday 30. Vacation days have one advantage. One can sleep and sleep and get up in time to go some place at night.

DECEMBER

Saturday 1. The first day of December and 24 days more until Santa Claus will come.

Sunday 2. What does one do on a Sunday during vacation?

Monday 3. The old town begins to revive. A few loyals drift in. They can't seem to stay away long.

Tuesday 4. School opens for the winter quarter. A few old students return to renew their studies after a term's "vacation" in search of finances.

Wednesday 5. Classes begin in earnest. Everyone is as glad to see his friends as if they had been gone a year.

Thursday 6. We'll get started next week on class work.

Friday 7. The beginning of the week-end. Double cuts are all that keep some folks here this long.

Saturday 8. Did you ever visit the Review office on a Saturday morning?

Sunday 9. The frost still insists on clinging to the window panes.

Monday 10. Blue Monday, indeed These week-ends are really too long.

Tuesday 11. What do you think? Guy Smith is new coach for the girls basketball teams.

Wednesday 12. Grades were available today—but—who wants to see them?

Thursday 13. The Pan Hellenic council banqueted the retiring football heroes at the Lutheran Church.
The weird ringing of a bell and the shriek of a siren, called out the entire town to the scene of conflagration at Ada Produce Company. In spite of the pouring rain the fire raged on and lit up the sky for miles around, much to the secret delight of many collegians.

Friday 14. A heavy fog made the English feel at home.

Saturday 15. The first basketball game of the season was played with the Lima quintet.

Sunday 16. What can one do on Sunday after you've been to church, had your dinner and long for an afternoon's entertainment? You're right—read the funny papers!

Monday 17. Since the "flu" was raging, many caught it for convenience and went home a couple of days early.

Wednesdy 19. Last chapel and last day of class till next year.

Thursday 20. The town is practicly empty. Ten o'clock of an evening sees two or three lonesome stragglers on the street.

Friday 21. Only three more shopping days left. The eternal problem of what shall I get for Mother, Dad, Sister, Brother, and Sweetheart.

Saturday 22. Two more shopping days left. Preparations for the big day cause hustle and bustle and mystery and to spare.

Sunday 23. Ho! Hum! This hurrying has been too much for most of us and we spend the morning in bed.

Monday 24. Tomorrow is Christmas. Hurrah!

Prof. Binkley won a Christmas present in the form of a $500.00 prize for an essay on "American Institutions."

Tuesday 25. Santa Claus rewarded the good boys and girls and put a lump of coal in the bad ones stockings. What did you find in your stocking?

Wednesday 26. The "old gang" meets and exchanges strange and wonderful experiences and adventures which occured on college campuses.

Thursday 27. The Board of Trustees met and elected Dean Robert Williams of Albion, Michigan, as new president to succeed Dr. Smith.

Friday 28. More get-to-gethers, tea-parties, bridge parties, dances and sessions.

Saturday 29. Class reunions, more parties, more sleep, more food, more fun.

Sunday 3. The old town back at school was rather quiet today, recuperating after the hectic whirlwind year of activity.

Monday 31. We must have one last fling before turning over a new leaf. The merry bells rang out a welcome to the New Year and that's not all. Spirits rose and the fun began. The wee small hours saw the lights still lit, the merriment still high and the bells still ringing.

JANUARY

Tuesday 1. New Year's day! What does it mean, resolutions made to be broken, a new beginning or a continuance in the old rut?

Wednesdy 2. The old town began to revive about 2 o'clock in the afternoon and made rapid strides toward recovery until midnight.

Thursday 3. School was supposed to begin today but about one-half failed to return, due to "flu" and other complications. The faithful few began to wonder if being so faithful paid after all.

Friday 4. A few more faithfuls returned to the fold.

The "Plastic Age" at the Odean drew quite a crowd. The rooting and cheers at the football game exceeded usual demonstrations. On the whole it was a pleasant evening.

Saturday 5. Brags of how many "formals I attended" and "how I spent new year's eve" are in general order.

Sunday 6. Just sixty more days until another vacation.

Tuesday 8. Appointments for pictures in the annual can now be had.

Wednesday 9. Dr. Smith announced that Mr. Robert Williams, dean in Albion University, Albion, Mich., will be the next president of Ohio Northern University and will take up his duties September, 1929.

Thursday 10. Intra-mural games are still going strong. A charge of ten cents admission doesn't seem to keep many away.

The stone cutters made a mistake and made the "P" too close to the "R" in Presser. Cement fixed the error but for a while it looked like Presser were spelled with two P's. The new Music Hall is coming along first rate.

The gymnasium had better watch out or the Presser Hall will catch up with it.

Friday 11. Franklin Hall will echo no more the resonant voices of excited debaters, nor will its walls see the faces of enthusiastic literary readers and muscians. The old scene of an interesting literary society has been sacrificed to a modern classroom and office.

Western Reserve defeated Ohio Northern in a basketball game at Cleveland, 46-37.

Saturday 12. A close victory was awarded Baldwin-Wallace when Northern brought home the 26 of a 27-26 score.

Sunday 13. One week of school is gone since vacation was over. But the lazy days seemed to extend over. Next week will be one of energy, we're sure.

Monday 14. Chris Schurman fell at the feet of a co-ed as he was ascending the front steps of Brown gymnasium.

Tuesday 15. Jingle Bells! Jingle Bells! An ideal night for a Bob-sled party and Alpha Phi Gamma took advantage of it. A crescent moon shining through dark trees upon a white stretch of fields added a touch of romance.

Wednesday 16. Lawyers begin moot court. Now we'll see who are real lawyers.

Thursday 17. Northern defeated Kenyon 30-27 at Gambier.

Friday 18. Sigma Delta Kappa fraternity entertained with a "Rook" party.
Game at Marietta ended Northern 31 Marietta 32. It must be the fault of some hoodoo or bad luck fairy that Northern loses by just one point.

Saturday 19. It is about this time that pledges think that this fraternity idea is not so hot, when they are cleaning cellars and polishing floors.

Sunday 20. Delta Sigs and Phi Mu Delts entertain guests to dinner.

Monday 21. Old Time Fiddlers made a hit at Lehr with their jiggs and reels. Even Dr. Bailey feet were keeping time to the "Irish Washer Woman."

Tuesday 22. Announcement made that the 1929 Northern is to be dedicated to Dr. A. E. Smith, president.
"Craig's Wife" shown at Lehr.

Wednesday 23. Basketball game with Heidelberg.

Hon. J, Adam Bede, ex-congressman from Minnesota, addressing the Ohio Petroleum Marketer's convention at Columbus, said:

"One of the things I tried to do while in congress was to pass a law enabling us to swap the Phillipines for Ireland, so we could raise our own police. They defeated my measure, but now I am preparing a bill that I think will be of great benefit to mankind. I want a law to make all the bow-legged men marry all the knock-kneed women so as to straighten things out."

"How's the boy getting along at college, Si?"
"Fine! He's taken up swimming now. In his last letter he says he spends all his time at Kelly pool.

Toy, Jr.: Papa, what is a low-brow?
Toy, Sr.: A low brow, my son, is a person who likes the funny papers, snappy stories, girl shows and the like and doesn't mind saying so."
"And what's a high-brow, papa?"
"A high-brow, my son, is a low-brow who won't admit it."

Irk: Franklin Hall is no more.

Irksome: When did he die?

Sh-h, all was quiet at the fraternity house. One was able to hear himself talk. Brothers sat about, looking sad and dejected. Pledges rushed back and forth, to and fro, hither and yon, carrying gauze and bandages, others, adhesive tape, iodine, and other sick room supplies.

Brothers were pacing up and down the room incessantly, pausing for a drink—of water; now stopping to adjust his wrist watch, tying his shoe lace, and, oh, a hundred other odds and ends. Would word from above never come—ah, a pledge rushed down the stairs breathlessly.

"He will live!" he shouted. Whereupon all the boys joined hands and played ring-around the rosie.

Buster, the pet dog, had just stubbed the toe on his front leg. *S.A.E.*

NOW that the last volume of the Northern for Nineteen Twenty-nine is bound and delivered, the last form killed and the presses washed up ready for the next job, we pause a moment for retrospection.

It has been a real pleasure for us to collaborate with the staff in producing this edition. We have endeavored to grasp and interpret the spirit of the student body represented, so that this volume may prove a treasure chest of memories to you in the years to come.

And during the course of your business or professional career when advertising or printing problems arise, we hope The Gray Printing Company may continue to serve you.

A man may live for 50 years with his own family, but that's not news. But just let him live one day with somebody else's family and it will appear on the front page of every newspaper in the country.

"Is your husband much of a provider, Malindy?"

"He ain't nothing else, ma'am. He's gwine get some new furniture providin' he gets the money; he's gwine to get the money providin' he gets a job; he's gwine to work providin' th job suits him. I never see such a providin' man in all mah days."

Correct

Even the grave and dignified British Civil Service commissioners could not resist being amused at an answer given at a recent examintion. The question was:

"Give for any one year the number of bales of cotton exported from the United States."

The applicant wrote: "1491. None."

"Mandy, I'se a sick man," said Jake, looking very miserable. "At de horspittle dey says I'se got berkerlosis."

"All right, Jake, we'll take keer of you, and git rid of dat berkolosis."

A week later Jake stumbled in, more woebegone than ever.

"'Taint no use; Mandy, nary a bit of use. I ain't never gwine git well. De doctors say dis morning I got two berkerlosis."

Sunday School Teacher: And why did Noah take two of each kind of animal into the ark?

Bright Child: Because he didn't believe the story about the stork.

Ginseberg: Misteh Ottist, I vant you should make me a doughnut sign.

Painter: Certainly, Mr. Ginsburg—but I thought you were a butcher, not a baker.

Ginsberg: Sure, I'm a butcher; I vant a sign :"Doughnut Hendel de Feesh."

The Same Old Line

"Dear, it's so long since I've seen you—"
"I love your beautiful suit—"
"You thrill me—you do. Yes, I mean you,
You great big, powerful brute—"
"What is it that makes you so handsome—"
"Oh, my, you're simply divine—"
(You can call it the New York Central,
But's the same old line).

"Why, yes, you surely may kiss me,
Just this once—not a regular thing;
But you're so different from others—"
"The Glee Club? Oh, please won't you sing—?"
"We really must have lots in common,
Your thoughts are so much like mine—"
(You can call it the Pennsylvania,
But it's the same old line)

Go from New York to old 'Frisco,
From the north to the south border line.
You can call it the Union Pacific
But it's the same old line. *Yale Record.*

(*Continued from page Two Hundred Ten*)

Friday 22. No school today. It is Washington's birthday. The Engineers had a banquet at Hotel Norval in Lima and atttended "Graustark" at the Farout theatre.

Saturday 23. Team played at Oberlin. Fire at girls' rooming house caused excitement. Heroes swarmed the place offering aid.

Sunday 24. The wanderers returned and the moon was still pretty full.

Monday 25. Pre-registration week begins.

Tuesday 26. Capitol made even her recent defeat by capturing the victory over Northern on her own floor.

Wednesday 27. This is the last Wednesday in Ferbuary and a very nice Wednesday at that. Spring will surely come sometime soon.

Thursday 28. The last of February finds the co-eds entertaining the boys with a banquet in Brown Gym. It's too bad there aren't enough girls to go 'round.

MARCH

Friday 1. The first day of March brings signs of spring fever. It's the firm belief of many profs., however, that some people have it from September to September.

Saturday 2. Many make hay while the sun shines or rather make whoopee before exams.

Sunday 3. Such a nice day but who had time to enjoy it with all those notebooks, maps, theses, and drawings to get out?

Monday 4. Exams will soon be here yet they have a movie and expect us to attend. "Submarine" was a good show, though.

The T. N. E.'s won the first frat league and the A. D. A.'s the campus league. It is only a question of time until we find out who are the strongest basketball players.

Tuesday 5. More distractions from study. Loyola University debated here with the O. N. U. team. The decision was in favor of Northern.

Wednesday 6. The wind blew hard all day and the lights were blown out at eleven o'clock, which fact will account for some of the F's and P's.

Thursday 7. Exams! But at last the day is over and the winter quarter is ended.

It blew so hard that the town was practically swept clean of people by night.

Friday 8. Vacation.

Saturday 9. Vacation.

Sunday 10. Still it's vacation.

The Engineers start out on their trip to parts west.

Monday 11. Registration day brings some new students to brighten.

Tuesday 12. Everybody is back again, ready to work (?) For the Seniors it is the last quarter. John Barrymore in "Tempest" appeared at Lehr.

Wednesday 13. Classes start and we go back to the grind again.

Spring is surely coming if standing around the cannons mean anything.

Friday 15. Another week-end begins before it is supposed to. Classes really last until 5:30.

Saturday 16. The weekly migration moves to Lima. The covered wagon episode has nothing on Northern students. They go in search of adventure and fortunes every week for recreation.

Sunday 17. Sure and the Irish are happy today and wishin' ye lots o' luck and good fortune. Sure and there are lots of Irish if the wearin' of the green be any indication.

Monday 18. Monday seems to begin every week and it's rarely a success. Something should be done about revising the calendar with Monday left out. . .

Tuesday 19. Now that the weather is getting nicer and folks are getting the "clothes fever," they all go to Lehr to show them off.

Wednesday 20. The Press Club is functioning again.

What has the first day of Spring to do with a popularity contest? Yet they come out on the same day.

Thursday 21. Hillsdale College debated with Northern's team here.

Friday 22. These Fridays seem to come pretty close together.

Saturday 23. Baseball weather is at hand.

Sunday 24. The spring weather lured the sweethearts out on parade again.

Monday 25. Another Monday, with all the attendant ills and ailments.

Tuesday 26. "Passion Play" at Lehr.

Wednesday 27. The Hartmen quartet appeared at Lehr.

Thursday 28. The last Thursday in March.

Friday 29. Good Friday and no school today.

Saturday 30. Tomorrow is Easter and the parade will begin.

Sunday 31. Easter Day.

After church all the "kiddies" found a nest of colored Easter Eggs which the bunny had brought.

APRIL

Monday 1. The first day of April means it's April fools day. You can't fool some people!

Tuesday 2. This weather is just too nice to stay at home so everyone got a date and went to see San Luis Rey.

Wednesday 3. The day to cut classes for on Monday and Friday there are double cuts to consider and on Tuesday and Thursday we either haven't any classes or forget to "skip."

Saturday 6. We all went to the matinee at the Odean and ate popcorn through 12 reels of exciting comedy.

Tuesday 9. The Juniors presented a program commemorating "Founder's Day" and honoring Dr. Henry S. Lehr, the father of Ohio Northern University.

Wednesday 10. Girls debated with the University of Akron co-eds.

Thursday 11. April showers bring May flowers and wet feet.

Friday 12. Spring football practice days are in full swing.

Saturday 13. A busy day indeed—just like all Saturdays.

Sunday 14. The Sweethearts were on parade again this afternoon.

Tuesday 16. Show at Lehr was "Captain Swagger."

Thursday 18. The O. N. U. Orchestra gave a concert at Lehr.

Friday 19. Track, sports on the cinder path have seized the interest of the athletically inclined.

Saturday 20. The first baseball game was played with Otterbein, there.
The track team go to Oberlin.

Monday 22. The band was out today and as usual had a large following.

Tuesday 23. Capitol and Northern contested on the baseball diamond at Columbus.
The "Dave" was shown at Lehr.

Wednesday 24. Another good day to cut classes, but, fortunately for the Profs. everyone who thought of doing it, didn't.

Thursday 25. The Ada High School presented its Senior play at Lehr.

Friday 26. Otterbein and Northern played baseball on our field.

Tuesday 30. Jimmy Valentine appeared at Lehr.

MAY

Wednesday 1. Hurrah! The first day of May and May flowers are a reality.

Thursday 2. The band delighted a large audience at their spring concert.

Friday 3. Game with Heidelberg on our own field.

Saturday 4. Goody! Another baseball game here today and it's with Western Reserve.

Tuesday 7. Game with Bowling Green, there.
Show at Lehr, "Tenth Avenue."

Friday 10. Game with Heidelberg there.

Saturday 11. Game with Bowling Green here.

Tuesday 14. Game with Capitol here.
Show at Lehr, "West of Zanzibar."

Thursday 16. Game with Wooster there.

Friday 17. Last Friday of classes.
Game with Western Reserve there.

Saturday 18. The last week-end of the school year.

Tuesday 21. "Love Over Night" at Lehr celebrated the last Tuesday night show for a long time.

Wednesday 22. Last day of classes and final convocations.
The Seniors bid adieu to the old halls and look with a new feeling upon their walls, now that college days are over.

Thursday 23. Final examinations.

Friday 24. Final examinations. Undergraduates depart happily homeward, while the Seniors remain to sever all the ties and relationships which are a part of college days.

Saturday 25. Alumni Day. Baseball game, dinner and renewal of acquaintnnces.
The Howard Taft gymnasium was dedicated in the atfernoon.

Sunday 26. Baccalaureate Day. The Seniors assemble in the chapel, attired for the first time in their garb and regalia of honor.
The Theadore Presser music hall was dedicated in the afternoon.

Monday 27. Class Day.
The Northern Players presented the commencement play in the evening.

Tuesday 28. Commencement Day.
